Dear Mr. Doe:

The 2009 ACI Spring Convention will be held in San Antonio, Texas, on March 15 - 19, 2009. As you may be aware, the Host ACI Chapter is responsible for raising the funds necessary to help make the Convention a success. The purpose of this letter is to request your firm's help two years ahead of the convention to allow for your company to budget funds for this Convention.

The Convention Committee is presented in the left vertical column and needs to develop funds for the following events:

- Host & Sponsor the Opening Reception
- Host & Sponsor the "Concrete Mixer" Reception
- Host & Sponsor the Guest Tours & Hospitality Room
- Student Program Student Luncheon Costs
- Contractor's Day Luncheon Speaker

We hope you will complete the attached remittance form with the various levels of donations and begin spreading the word about our ACI Convention.
